Conditions of Booking

1. A reservation is effective only on the receipt of a deposit of £175 per berth **per week**. Written confirmation of receipt will be sent by email or post as soon as practicable stating the balance payable.
2. The balance payable must be received no later than 45 days prior to the date of embarkation. Otherwise we will assume that you have cancelled your booking.
3. If you cancel your booking half the deposit will be refunded provided that we are able to re-let your berth(s); otherwise you are liable for the total balance payable. (Holiday cancellation insurance is obtainable from your insurance broker or travel agent normally for less than £10 and is **highly recommended**.)
4. If we are obliged to cancel the cruise for any reason beyond our reasonable control, your deposit and any other fees paid will be returned without any further liability whatsoever to the owners.
5. The yacht's insurance does not cover you for any injury, damage or loss to you or your property not attributable to our negligence or any defect in the yacht. You are recommended to check your existing insurance cover.
6. During the cruise you and your party are members of the crew. For safety and operational reasons you must obey the skipper's instructions in all matters concerning the operation and running of the yacht. The skipper's decision on all such matters is final.
7. The normal minimum age limit for is 18 if unaccompanied, 12 if accompanied unless the whole boat is booked when younger children are welcome.
8. There is no maximum age limit but all charterers should be reasonably fit and free from any acute medical or other disabilities which may impact safety aboard. Please call to discuss any issues
9. Please let us know of any special dietary requirements when booking and we will try to accommodate you as far as possible, but this must be planned well in advance as there are few shops where we will be going and in Northern Scotland special diets are unusual and provision limited. In general we will assume you eat all kinds of meat, fish and fowl so if you do not, it would be very helpful to let us know in advance or plan to bring some special products. (Phone if you have any queries).

Related Information

Cruises from Oban generally start on Saturday at 2.00 pm and finish at 11.00am on the date shown. Thus on a 6 night cruise you have 6 nights on board but you are "at sea" on 7 days. On our passage cruises as travel is slightly more complicated we will often stay overnight on joining day and may plan to arrive at our destination for the night before disembarkation. The price per cruise is fully inclusive and covers a berth & bedding and all meals taken on board. The only cash you will need will be for a share of the cost of the ships booze consumed aboard and any expensed ashore. Special discounts are available for families or large parties who wish to charter the whole yacht, and such charters need not be bound by the dates on the booking form. It is best to check the availability before you book and you can ring us at any time (evenings are often best) or you can email us at corryvreckan@dunsfold.net.

Destinations

The 6 day cruises from Oban are all different, as wind and weather dictate both distance and direction, and while we range from Gigha in the south to Skye in the north, we often visit islands such as Mull, Jura, Staffa, Ulva, Iona, The Treshnish Isles, Coll, Tiree, Rum, Eigg, Canna etc..

We have scheduled a number of longer and passage cruises this year giving a good deal more scope to roam further afield, on a 9 night cruise we could hope to circumnavigate Sky perhaps visiting the Shiant's and the east coast of Lewis or to head across the Minch to the Southern Outer Hebrides possibly including a visit to the Monach Isles, west of South Uist.

The 12 night "Long Cruise" is the only one where we traditionally announce a stretch goal and this cruise will involve earlier starts and longer days than our traditional "holiday Cruises", in 2015 we will aim to get as far north toward Cape Wrath as possible, this might include visiting Handa or Loch Laxford and taking in the Summer Isles on our way back. As always the weather will determine what is possible and our specific routing.

Special Cruises: as always we have some flexibility to tailor cruises to meet specific requirements particularly as the booking season gets started so please do not hesitate to get in touch if you have some special requirements, particularly if you would like to book the whole boat for a special cruise.
